Method & Source

This table was created based on numbers of unique jobs posted between 1 July 2014 and 30 September 2014 excluding internships. Jobs that could not be assigned to a profession class are in the category 'other' and are omitted from this list.

Jobfeed collects all jobs on the web in the Netherlands, Germany and France and makes them searchable.

Jobfeed is a product of Textkernel BV, technology supplier of multilingual cv parsing and semantic search and match software.
