Method & Source

*This table was created based on numbers of unique jobs posted between 1 July 2014 and 30 September 2014 excluding internships
Jobs that could not be assigned to a profession class are in the category 'other' and are omitted from this list.*

Jobfeed collects all jobs on the web in the Netherlands, Gemany and France and makes them searchable.

Jobfeed is a product of Textkernel BV, technology supplier of multilingual cv parsing and semantic search and match software.
