Market share of HR and recruitment vacancies per country

Source

Numbers come from Jobfeed, Textkernel's searchable job database for lead generation, competitive insight and labour market analysis. For this analysis, more than 30 million vacancy postings published in 2016 have been analysed, categorised and de-duplicated. We identified 260,518 HR and recruitment vacancies excluding franchises, internships/graduate positions, voluntary work, freelance jobs and apprenticeships, on which these analyses have been performed.
